

Hope Grows Here

Monday, June 11
8 a.m.-4 p.m.

The James, Room L035
(Wasserstrom Family
Conference Room)

Beyond the Basics of Cancer Survivorship

This workshop is designed to provide oncology healthcare professionals with cancer survivorship knowledge and clinical pearls to incorporate into clinical practice to enhance cancer survivors' long-term health and wellness. Topics will include radiation effects from cancer treatment, health disparities and unique needs of the LGBTQ population with respect to cancer screening and cancer care.
