

**Elizabeth Olson
1936 - 2006**

Elizabeth "Beth" Olson was an oncology nurse for over 20 years. Active both nationally and locally in the Oncology Nursing Society (ONS), Beth was one of 12 founding members of the Columbus Chapter of Oncology Nursing Society (CCONS). Beth remained active in the Chapter for many years serving in a variety of leadership roles. Beth demonstrated an uncommon commitment and dedication to her colleagues and those in her care.

Beth's quiet strength inspired many new and seasoned oncology nurses to reach higher than they ever thought possible.

Nursing Leaders

- Are at the front line of caring for individuals.
- Bring positive change to those they care for.
- Advocate for those in their care.

Members of the Columbus Chapter of the Oncology Nursing Society recognize the value a nurse has in the lives of people with cancer. To ensure nurses, today and tomorrow, have the skills necessary to improve cancer care and maximize their impact on cancer, the CCONS has created the Elizabeth Olson Memorial Grant in memory of their colleague.

The CCONS has joined with the ONS Foundation to ensure implementation of projects related to oncology nursing by providing financial resources. Please consider partnering with us to strengthen our chosen field of nursing.

It is the goal of the Columbus Chapter of the Oncology Nursing Society and the ONS Foundation to award the Elizabeth Olson Memorial Grant annually in support of oncology nursing in the Columbus area.

This grant will provide financial assistance to support nursing education in oncology.

Grant applications will be accepted annually by the CCONS Scholarship Committee from oncology nurses serving the Columbus area.

Please visit the CCONS website for more information about Elizabeth Olson and the grant:

About ONS Foundation

As a 501(c)3 public charity, the ONS Foundation (tax ID#25-1410081) has empowered oncology nurses to deliver cutting-edge cancer care, providing more than \$20 million in support of oncology nursing research, education and career development initiatives.

Your Support

Don't miss the opportunity to be a part of ensuring the future of oncology nursing in the Columbus area. Your tax-deductible donation in memory of Elizabeth Olson will ensure future funding is available for oncology nursing.

Match That Gift

A Matching Gift is where a corporation will "match" (or sometimes double) a donation of their employee to the charity.

Check with your employer today to see if they offer a matching gift program.

"Beth felt called and committed to the nursing profession, particularly oncology care. She sought to provide excellent nursing care and quality patient education so that individuals could make informed decisions about their medical care. She would be honored and grateful that CCONS is supporting professional scholarships.
